

The background of the entire image is a close-up, slightly blurred photograph of several old, thick books. The books have aged, yellowed pages and worn, dark brown leather covers. One book in the foreground is particularly prominent, showing its thickness and the texture of its pages and cover. The lighting is warm, highlighting the textures of the paper and leather.

# Who We Are

---

A full service law firm with significant national capacity through a network of associates. Thus, we have a sizable influence throughout India.

We combine a commercial outlook with forward thinking innovation, delivering a high-quality business law service to India and international clients - a modern, independent business law firm. We provide clients with personal, individual and efficient legal advice to the highest professional standards.

We advise national and international commercial entities, as well as public institutions in the areas of business and commercial law. We also advise private clients on commercial issues.

Our major practice areas are litigation, corporate, M&A, commercial, banking and finance and dispute resolution. Further, the firm focuses on taxation and property law. We are known for our passion, technical excellence and ingenuity.

# Result Oriented Approach

---

We distinguish ourselves by the results we get for our clients especially in decreasing the time spent on litigation.

Peritia's dedicated team of lawyers have extensive experience and take pride in keeping current in all the areas of law.

# Problem = Solution

## Looking for Solutions, Identifying Problems

---

Our client base includes local, national and international companies across a broad range of sectors, ranging from emerging business to multi-nationals, as well as public sector organisations and resident welfare associations.

We explain the complexities and challenges of the Indian legal environment to both inbound investors and Indian corporates.

Strategic litigation, preliminary remedies and enforcement of judgments & arbitration awards (domestic & foreign) are some of the things we are know for.

We don't believe in Problems, we believe in Solutions!
