

**DHEERAJ  
GUPTA**

ADVOCATE

## **BACKGROUND**

When a lawyer needs a lawyer, Dheeraj is the one to call. With close to 10 years of core litigation experience, Dheeraj's practice emphasizes on commercial and corporate litigation. In his years of practice, not only has he successfully represented clients before the district courts in Delhi (NCR) to remote corners of Rajasthan & Haryana but also before the High Court of Delhi, Punjab & Haryana, Rajasthan, Mumbai & Kolkata and the Apex Court of the Country. He has the experience of dealing with private individuals as well as multinational clients

His strong work ethics and result oriented approach set him apart from his peers and colleagues. Dheeraj has represented local businesses, multinational corporations, creditors and lenders, developers and investors to whom he is known as the Strategist, as his ability to strategize litigation and securing reliefs in adversarial circumstances unparalleled. Having come together with like-minded individuals, he is one of the founding partners of Pertita Law Chambers. He, along with Sanam, heads the litigation practice of the firm. He is experienced in the domain of corporate laws, including corporate restructuring, M&A, funds raising, corporate advisory and corporate governance. His practice areas include advising on legal and regulatory issues concerning foreign investments in India, incorporation of legal entities, financial and technical collaborations, negotiations on clients' behalf, formulation of strategy on legal/business issues, joint ventures and other business transactions, corporate and securities law, M&As, business agreements, due diligence and legal opinions.

**"THE STRATEGIST"**

He undertook a comprehensive analysis of the provisions of the new Companies Act, 2013, including representing various industries concerns and legal issues before the bodies including CII, FICCI etc.

Apart from core transactional involvement, he regularly assists and advises clients across sectors on corporate and investment structuring, real-estate matters, company law, foreign exchange control regulations, sector-specific policy and compliance, commercial Contracts and allied direct/indirect tax exposure, among other issues.

His prominent ancillary work experience includes advisory, structuring and negotiation in relation to alternative investment funds, co-insurance arrangements, rope-way projects, power projects, airport concessionaire arrangements, tele-medicine projects, anti-trust/competition matters, IT/outsourcing businesses, clinical trials, public charities, etc.

His legal abilities are strengthened by a problem-solving approach and working knowledge of multiple industry sectors, which helps in delivery of inclusive solutions, and garner client satisfaction and appreciation.

He is also our Labour Law expert for all aspects of employment, industrial relations, organising the employment and social security status of international and management level employees and international assignments, setting up employment structures and alternative cooperation arrangements, negotiating and drafting of tailor made employment contracts, restrictive covenants, work regulations, employee manuals, and negotiating termination settlements.
